Wheelie Bins	Anyone Who May Come into	<ul style="list-style-type: none">Large refuse bins with lids are supplied in the car park for general waste.Recycling bins are also situated in the car park.	L

Bradford Peverell, Dorchester, Dorset DT2 9SD

	Contact	<ul style="list-style-type: none"> External bins placed around the site must be emptied daily. Refuse bins must only be emptied by the licensed contractor. 	
Weed Killers	Anyone Who May Come into Contact	<ul style="list-style-type: none"> All gardening chemicals are kept locked away in the work shop. All gardening chemicals are stored in accordance with the manufacturer's guidance. All safety equipment especially gloves and eye protection must be worn when using the chemicals. Full training will be given and recorded to people who will use the chemicals. When diluting chemicals, the instructions must be read and followed. 	L
Cleaning Chemicals	Anyone Who May Come into Contact	<ul style="list-style-type: none"> Cleaning Chemicals are kept to a minimum and are in small quantities locked in the designated cleaning cupboards. All Cleaning Chemicals must have a COSHH sheet. Chemicals aren't to be used until the COSHH sheet has been read. When using Cleaning Chemicals all safety equipment including gloves and eye protection must be used. If cleaning chemicals need to be mixed/diluted on site the instructions must be read in full and all safe practices followed. All staff to receive annual refresher training on the safe handling and diluting of all chemicals. A master copy of COSHH sheets is kept in the office. Any chemical spills are to be cleaned up immediately. 	L
